- Knowledgeable staff

### A MARKET LEADER

Our nearly 500 employees are supply chain, transportation & warehousing specialists who deliver solutions that inspire confidence and satisfaction, supported by over 500 tractors, nearly 1500 trailers, 500,000 square feet of strategically located warehousing, and the most experienced, qualified driving professionals in the region.

Through hard work, dedication and continuous improvement, we deliver premier solutions to our customers and endeavor to be the best place to work for our employees.

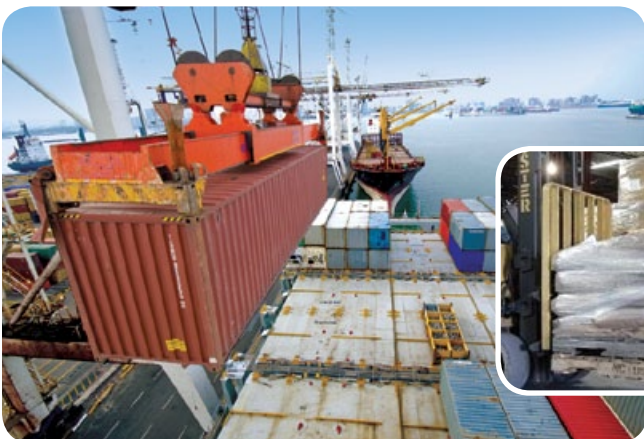

### HISTORY

A&S has origins in transportation dating back to the turn of the 20th century. A&S has grown organically and through acquisitions, including The Diamond Group, Inc., Den-El Transfer, and Kinard Trucking.

A&S Services Group sets itself apart by offering creative and flexible supply chain solutions through competitive, partnership-oriented service to a long list of satisfied customers.
